

History of Rock

Real Rock & Roll the early years

At its birth, rock and roll was a specific blend of styles and sounds. The genre grew from the late 1940s to the early 1950s, and by the mid-1950s, it had become a dominant force in American music. Rock and roll was born from the fusion of African American blues, gospel, and jazz with white American country, western, and pop music.
